The 4'10 Chaos Whisper

Eloiza knows chaos. As a busy entrepreneur, in-demand speaker, and single mom to not one, but two sets of twin boys, Eloiza loves the daily turmoil, making her the perfect person to share how to not just survive, but thrive, in today's truly chaotic world. Learn how to anticipate, lean into and learn from chaos, and how to turn crisis into opportunities to build your brand.

The DEI Backlash: How to Respond

DEI is on the defense. With legislation, defunding and outright bans, organizations find themselves caught in the middle. Understand how DEI initiatives went from a top priority to a potential crisis and threat to leadership and company brands and learn how to not only respond but strengthen the business case and protect your DEI practices from shifting political winds.

Inclusive Crisis Leadership

Crisis is inevitable. No matter where it comes from - a social movement, a highly publicized business failure or corporate scandal - crisis finds us all. What is not inevitable is our success in handling crisis, but leading inclusively can not only impact but help predict your success in crisis. Learn how to anticipate crisis, develop an effective response framework and how to communicate with stakeholders. Find out how to lead your organization in a way that doesn't just maintain your brand's reputation but builds it and bolsters company culture.

The Art and Science of DEI: Quantify Your Impact

Without quantitative measures demonstrating impact and gaps of DEI efforts with your business and stakeholders, the fight for equity will only get harder. Learn how to build simple but compelling measures of DEI performance in functions like talent, business spend and investments, and tie DEI efforts to business performance.

Navigating Difficult Conversations: The Role of White Males in DEI

Are you afraid of saying the wrong thing, so you say nothing at all? That's not the solution - for anyone. Let Eloiza help you understand what to do and say when it comes to diversity. Learn to share your own diversity story and relate to others. Be able to listen and appreciate other perspectives and articulate your own without triggering a negative reaction from your audience.

Get Back to the Office! Don't Forget to Pack Your Inclusivity

Companies are in a wrestling match with employees over return-to-office mandates. Before you demand an immediate return to the cubes, see what the data says about the effect of remote work on employees and organizational performance, understand the resistance and implement an inclusive process to meet the diverse needs of employees while enhancing your company's success.
